

From the Desk of the Principal

It gives me immense pleasure to welcome all stakeholders at our Navmaharashtra Shikshan Mandal Shevgaon's Abasaheb Kakade College of Education, Shevgaon.

This College is established in 2008 with vision of 'Achieving Excellence in the field of teacher education being flexible, resourceful and competent'. Teacher education is a programme that is related to the development of teacher proficiency and competence that would enable and empower the teacher to meet the requirements of the profession and face the challenges therein.

Our College performs a significant function of providing learning experiences to lead our students from the darkness of ignorance to the light of knowledge. The key personnel in the institutions who play an important role to bring about this transformation are teachers and Students. As stated by NCTE in Quality Concerns in Secondary Teacher Education, The teacher is the most important element in any educational program. It is the teacher who is mainly responsible for implementation of the educational process at any stage.

This shows that it is imperative to invest in the preparation of teachers, so that the future of a nation is secure. The National Education Policy 2020 places demands and expectations on the teacher, which need to be addressed by both initial and continuing teacher education.

I am thankful to Adv. Dr. Vidyadhar Kakade, the Secretary of Navmaharashtra Shikshan Mandal Shevgaon, Sau. Harshadatai Kakade, the president of Navmaharashtra Shikshan Mandal Shevgaon, Prof. Lakshmanrao Bitai, the CEO of Abasaheb Kakade Group of Institutes Shevgaon, Prof. Shivajirao Lande, the Coordinator of our college for their guidance and prompt support. They are always motivating our staff towards fulfillment of vision of this college.
