

Policy & Objectives

Policy: We are committed to impart quality education in the field of 'Teacher Education' at under graduate and post graduate level to fulfill the needs and expectations of students, parents and society. This is done through the total involvement of the faculty, students and the staff in the process of teaching and learning, complying to the quality system and continually improving the process and system.

Objectives:

- To make consistent efforts for development of western region of Ahmednagar district in connection of aims and policies of Navmaharashtra Shikshan Mandal Shevgaon.
- To create dedicated and efficient teachers from western region of Ahmednagar district's urban, rural, disadvantaged and aspiring youngsters.
